Fears	Flaws

Fill in the Blank:

No, despite all these things, overwhelming _____ is ours through _____, who loved _____. **Romans 8:37**

My Resources:

Physical: Example: You need money to buy a tablet for university, so you weave and sell baskets using the crop that grows around your home.	
Gifts and Talents: Example: You need a space to start a fashion business, so you use your organisational skills to edit the layout of your home to make room for your work stations.	
Connections: Example: You receive an interview for a job you really want. However, you become very nervous when meeting new people, so you meet with your trusted mentor to practice.	
Education: Example: You want to become a web designer, so you search for local internships/apprenticeships.	

My Opportunities

Bridge the Gap

Use the space below to make a plan of how you can use your resources to solve the problems you listed in the My Opportunities section. Consider the ways God has equipped you to overcome the fears and flaws that have previously held you back. If you have already reached out to a potential mentor, bring the list to them and ask for their advice.
